

# BRUTON Tolbury

**Distance:** 1 mile

**Target Time:** 20-25 minutes

**Description:** A town walk all on hard surface paths, one gentle ascent at the start, one gentle descent, no stiles.

**Start:** Church Bridge  
(opposite St Mary's church)

1. With church behind, walk up Patwell Street towards museum, straight ahead at junction by library along Coombe Street. Shortly, turn left along Higher Backway, where road bends sharp right, continue straight ahead downhill along Tolbury Lane.
2. At bottom of hill bear left along stream. At house, continue straight ahead along narrow path to eventually meet main road.

3. Turn right, across road (TAKE CARE!) and follow around left-hand bend. Shortly, after garage but before junction on left-hand side, turn left over wooden footbridge. Continue straight ahead to walk between river and houses. Continue along path after houses, soon bearing left downhill at path junction to cross wooden bridge and onto lane (Lower Backway).
4. Turn right along lane. At end of lane continue straight ahead along gravel path (do NOT cross bridge), follow path to meet road at Church Bridge.
