

SOUTH SOMERSET LOCAL PLAN

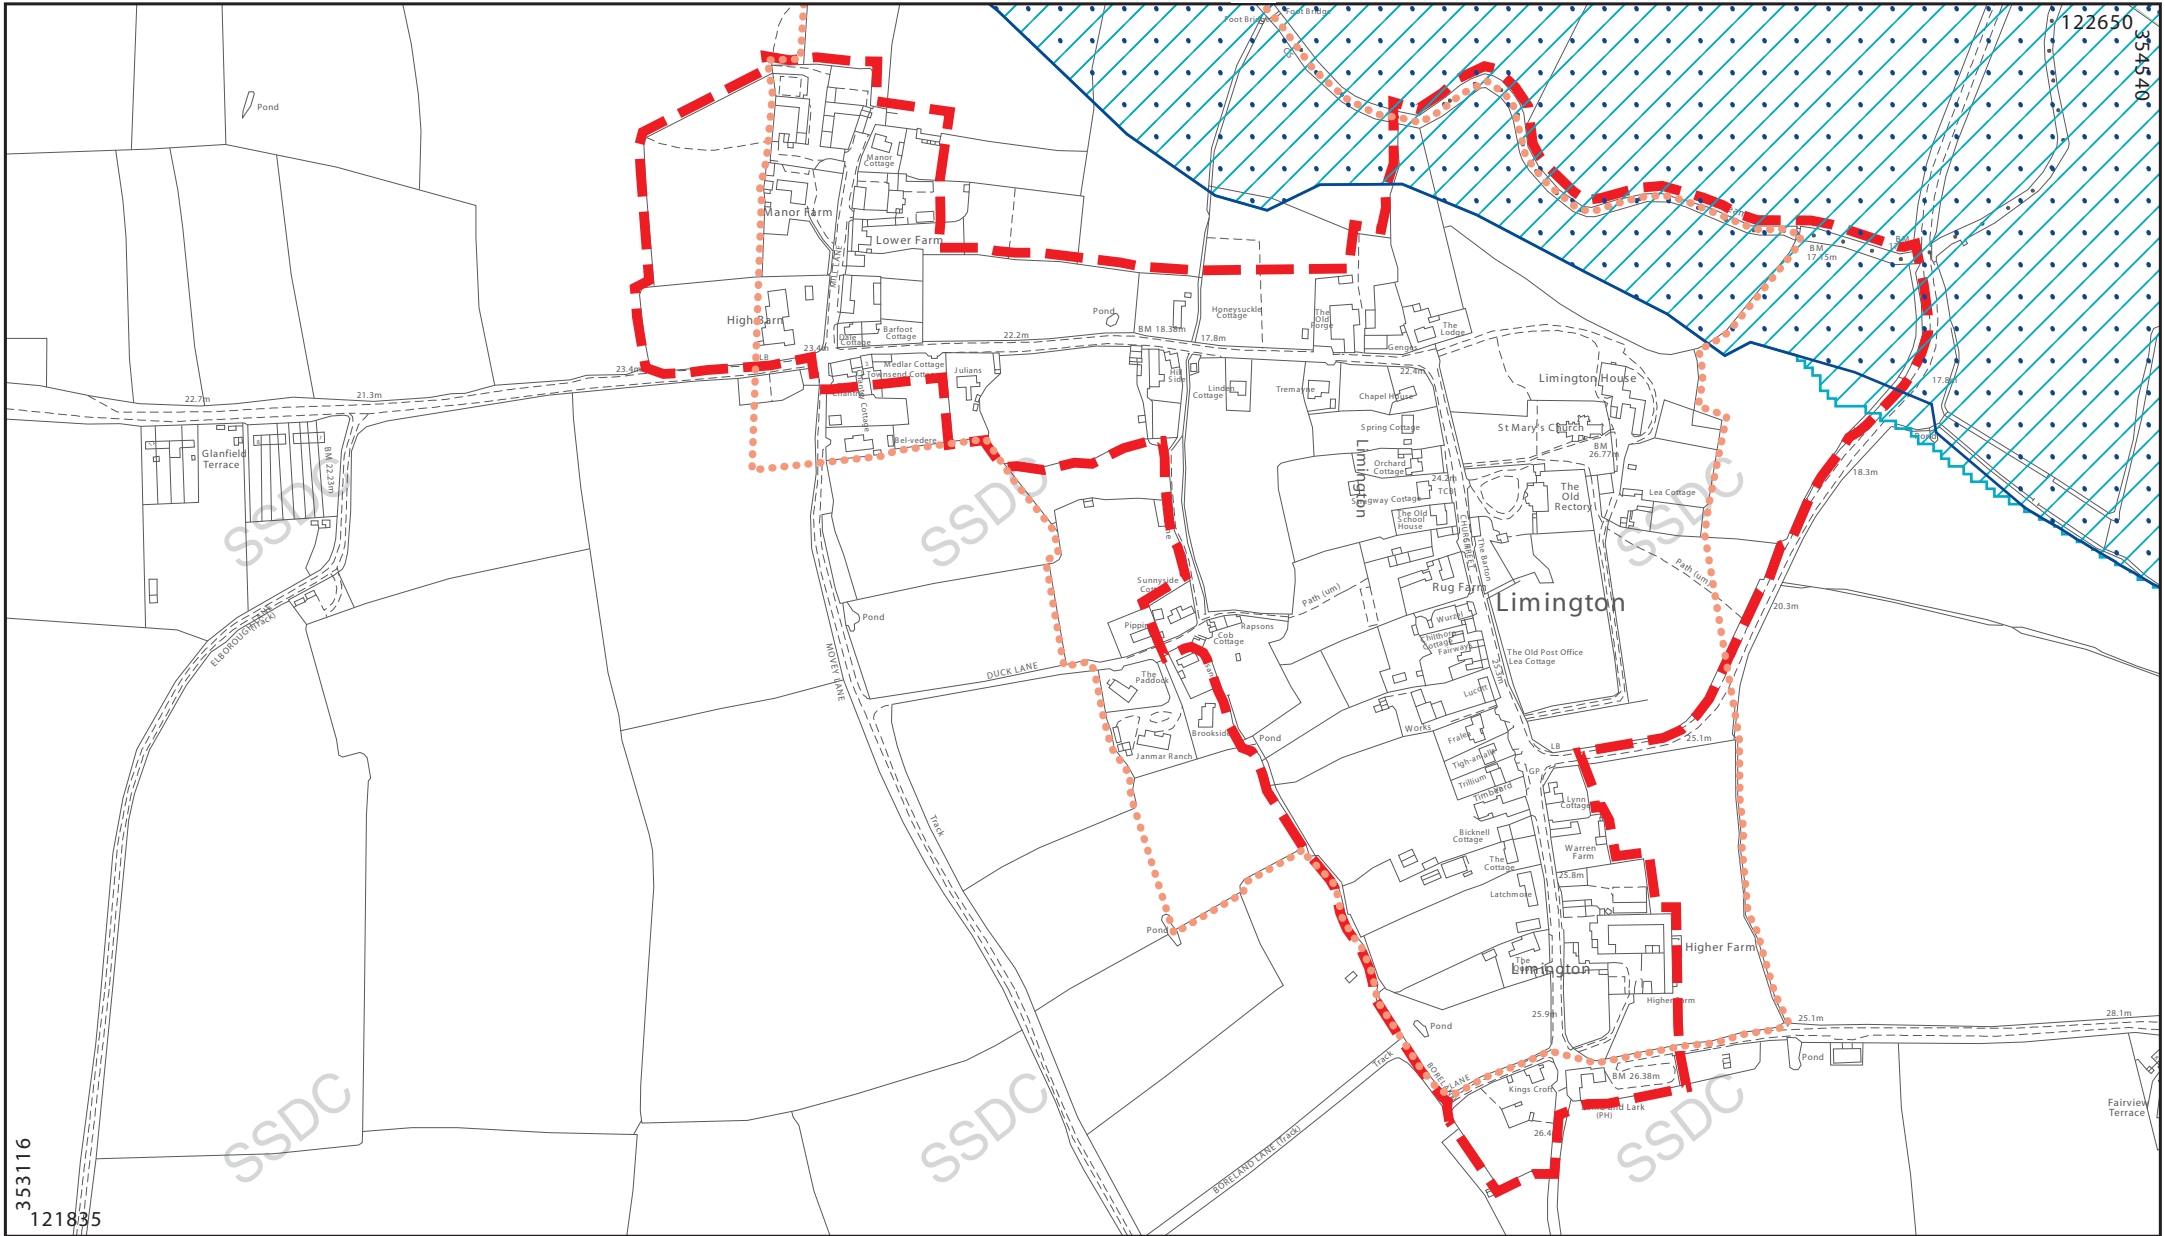

IMPORTANT INFORMATION:

- 1 Please note that there have been two legal challenges to the adoption of the Local Plan (27th April 2006).

The first challenge refers to the new policy on phasing housing allocations (Policy HG3) and the Wincanton Key Site (Proposal KS/WINC/1). The second concerns land at Slades Hill, Templecombe, deleted from the adopted local plan (Deposit Draft Local Plan Proposal MU/ABTE/2).

The Council's solicitor advises that the adopted Local Plan remains effective unless quashed, wholly or partly, by the High Court. The High Court hearings may not take place until early 2007.

- 2 The proposals map on page 2 is an interim version, pending the outcome of the legal challenges.
