Dear Mr Williams

**Application under Part 2 (5) (1) of the Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area**

Further to our application of 19 January 2013 and your response dated 24 January 2013, please find our revised application below.

East Coker Parish Council give notice that they wish to make an application under Part 2 (5) (1) of the Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area for the East Coker Neighbourhood Plan.

The application is accompanied in the appendix by a map identifying the area to which the application relates, being the entire parish area of East Coker.

The Parish in its entirety is considered to be appropriate for designation as a Neighbourhood Area because:

- it is a properly constituted, well recognised and clearly defined Parish area;
- it is entirely within the remit of the Parish Council; and,
- the Parish Council is a properly elected democratic body representing the entire local community within the Parish and is committed to ensuring that the community's views are fully reflected in future local planning decisions within the Parish.

East Coker Parish Council is a "relevant body" for the purposes of section 61G of the 1990 Town and Country Planning Act being the parish council for the entire area applied for.

Yours sincerely

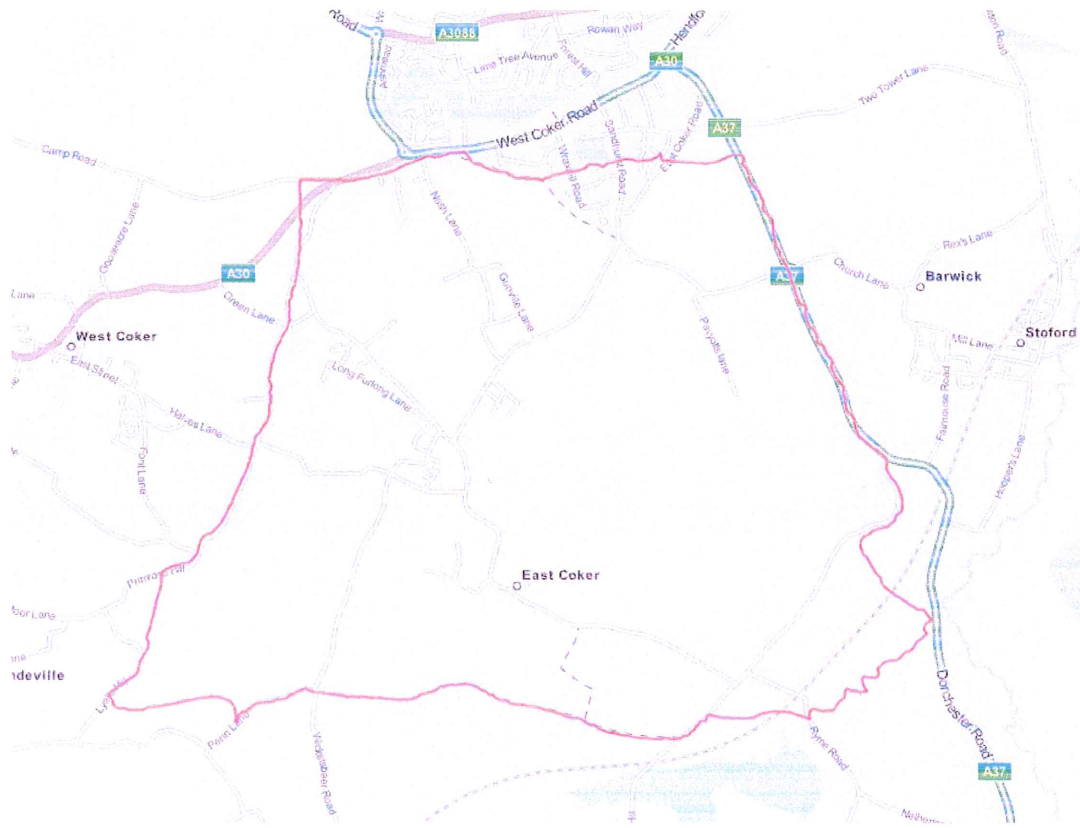

**Stan Shayler**  
Chairman East Coker Parish Council

**Pauline Gubbins**  
East Coker Parish Clerk
