

Yeovil Refresh: 1st year achievements

Start of consultation on proposals

Families, residents, businesses and shoppers were invited to learn more about the Yeovil Refresh proposals. After seeing maps and information boards, the public were invited to give feedback during a consultation period. The results of this have influenced the project. Consultation closed at the end of June 2018.

Yeovil Refresh plan finalised

The Yeovil Refresh Plan was finalised and the team that will deliver Yeovil Refresh was put in place.

Consultations and development of Yeovil Town Centre

Consultation work was carried out regarding the town centre's car parks. This will inform a plan to make improvements to the car parks and signage, with the car park at West Hendford earmarked for particular improvement. The Martin Group confirmed its purchase of Glovers Walk and is working with South Somerset District Council on plans to develop and improve this area.

Agreed by Full Council

Resources and governance to deliver the Yeovil Refresh were agreed by Full Council.

Travel accessibility and the Cattle market

Ongoing work commenced in conjunction with Somerset County Council to improve the accessibility of the town centre, road system, cycling and walking routes in Yeovil. The Cattle Market site was finally secured for redevelopment by the owners of the Quedam, Benson Elliot, who are working with SSDC on making plans to redevelop the site and an exciting new space in the town centre.

Improving areas

We invited tenders to be submitted for organisations interested in delivering a fresh new look for the public spaces. Improving areas like the Bandstand, which will create more space for special events and markets.

Cycling and walking routes

A plan to improve cycling and walking routes in Yeovil is to be created with Government support with the aim of delivery commencing in 2020.

We will provide details of all the activity taking place through the rest of 2019 and 2020 as soon as we can so you remain fully informed.
