

South Somerset Local Plan Preferred Options Consultation 28th June - 18th September 2019

The Council is undertaking a review of its Local Plan (2006-2028) that was adopted for the area in March 2015.

The Local Plan Review 2016-2036 Preferred Options document identifies the proposed sites to be allocated new housing and employment development in South Somerset over the 20 years 2016 to 2036. It also includes the proposed polices against which planning applications will be assessed in the future.

How to get involved

The consultation is designed to involve as many individuals and businesses of South Somerset as possible so that your views can be collected and taken into account to help shape and evolve the next stage of the Local Plan. Whilst the consultation document is based upon evidence, testing it against local knowledge and “live” economic factors through residence and business input will make it stronger and more relevant.

There will be a series of public drop-in sessions where the consultation document can be viewed and where Council officers will be on hand to help explain how we have got to this stage and answer any queries. These drop-in sessions are as follows:
