

APPLICATION TO MODIFY OR DISCHARGE A PLANNING OBLIGATION

GUIDANCE NOTES FOR APPLICANTS

INTRODUCTION

These notes accompany application Form S1062.

Section 106A of the Town & Country Planning Act 1990 provides that a planning obligation may be modified or discharged by agreement between the parties, or in default of such agreement, by application to the Local Planning Authority at the end of the period of five years beginning with the date when the obligation was entered into.

After the expiry of the five years (see above), an application can be made. The Council upon receipt of such an application, will either decide that the planning obligation should continue in effect without modification, discharge the obligation, or modify the obligation.

Where the Council has failed to respond to an application or has refused to modify or discharge an obligation there is a right of Appeal to the office of the Deputy Prime Minister.

Agreements pre-dating 25 October 1991 (including under the original S106 of the 1990 Act) are not subject of the statutory process. Notwithstanding this a completed application form will be required to be completed and submitted in respect of all applications to modify or discharge a planning obligation.

If you need advice or help contact the Planning Services. To avoid and delay in processing your application, please make sure that the correct forms and site plans are sent. Photocopies are acceptable as long as they are clear.
