Dear Mr Fox

### Application for designation of Crewkerne and Misterton as a Neighbourhood Plan Area

In accordance with Section 5 of the Neighbourhood Planning (General) Regulations 2012, Crewkerne Town Council and Misterton Parish Council hereby make a formal application for the designation of the combined area covered by the boundaries of the two councils as a Neighbourhood Area.

The attached plan shows the area to be designated.

This area is considered suitable to be designated as a Neighbourhood Area as the two settlements of Crewkerne and Misterton are very closely linked, as evidenced by:

- The fact that there is a continuous belt of housing bridging both parishes.
- The fact that the railway station is designated as "Crewkerne" and yet is located within the parish of Misterton.
- A major A-road, the A356, runs through Misterton into Crewkerne.
- The two councils have agreed to jointly develop a shared Neighbourhood Plan.

Crewkerne Town Council is applying for designation on behalf of both councils and is a qualifying body as set out in Section 61G of the 1990 Town and Country Planning Act.

Yours sincerely

**K Head, Mayor**

**P Davidson, Town Clerk**
