SSDC Discretionary Grant Guidance

If your South Somerset based business has not been eligible for any other Covid-19 related grant with the exception of the Coronavirus Job Retention Scheme and your rateable value or annual rent / annual mortgage payments are below £51,000 we encourage you to apply to this scheme.

We will also consider applications from businesses who are based exclusively in South Somerset; operating in the hospitality or leisure sector and have a rateable value of between £51,000 and £75,000.

The grants will be awarded on a first come first served basis, the amount of award is discretionary up to a maximum grant of £25,000. South Somerset District Council may periodically suspend accepting further applications to ensure that available funds are not exceeded.

We will require all eligible business to apply via our online form – hosted on South Somerset District Council Website. **The application process will be open on Tuesday 26th May at 11am.**

Please note you will be unable to make an application through Internet Explorer and we recommend you use an alternative internet browser.
