

# South Somerset District Council

Freedom of Information Act (2000) & Environmental Information Regulation (2004)

Information Request Reference Number: 421

## RESPONSE

You have asked South Somerset District Council for the following information:-

The number of electric charging points for electric vehicles installed by the council in 2016.

The number of electric charging points for electric vehicles installed by the council in 2017.

The number of electric charging points for electric vehicles installed by the council in 2018.

The number of electric charging points for electric vehicles installed by the council in 2019.

**South Somerset District Council have not installed any electrical vehicle charger points covering the range of 2016 – 19 as requested. However, 3 EV charger units have been installed and are set to go live in February 2020.**

Please review the information on our website regarding the [re-use of Public Sector Information](#).
