Reference Planning Application Number 19/03416/OUT.

Land at Manor Farm, Combe Hill, Templecombe, Somerset

WE OBJECT TO THIS APPLICATION.

On The Grounds of: Over Development of the site

Lack of spaces in the already over crowded local school

Increased traffic causing even more congestion at the pinch points

In the village.

Lack of satisfactory pedestrian access.

We have concerns if this application goes ahead that as we own the private road adjacent to the border of this proposed development and it is the shortest route to the Village we are concerned that this will be used without our consent.

Yours Faithfully

Mr Geoffrey Foster

Mrs Jill Foster
