

Dear Adam,

I hope you don't mind me contacting you direct. I am the planning consultant working on behalf of Gleeson on the above application. We have made good progress with SSDC and are hoping to get a decision by August. On that basis, I am just checking whether you intend to submit any further consultation responses to the above application, or whether you are content with what has been submitted to date and we can move forward on the basis that there is no highways objection to the proposed scheme.

Kind regards,

Jo
