Hi, I would like to object to the Reg 16, Ilminster for the following reasons:-
This planning consideration could result in inappropriate development in the wrong places.

Only 2 councillors on the new decision committee represent Ilminster out of 110
There has been no proper communication and discussion with the community since the plan was amended in OCT 2021

It should be for the local community to influence the location and size of the proposed developments not the landowners and developers

District council did not consider sites correctly previously.

Kind regards,
