I am responding to the Ilminster Neighbourhood Plan Reg 16 consultation.

I wish to comment on:

Q1 - Policy ILM12 Amount and location of new homes should be reinstated into INP.

Q2 - I am opposed to the Ilminster Neighbourhood Plan following the removal of all sites after Reg 14 consultation. The plan should not go to Referendum unless it has been revised to include development sites based on the Reg 14 consultation responses from the community which showed resounding opposition to Shudrick Valley sites. There is currently no shared vision for the future of Ilminster because of serious lack of consultation and the community not being kept up to date or properly engaged during the Plan's progress.

Q3 - Development sites should be re-instated based on the responses made by the community during the reg 14 consultation.

Yours sincerely
