ILM8 and ILM11 Pedestrianisation of Ilminster Town Centre

2. Please outline your comments below (continue on an additional sheet if necessary)

I strongly OBJECT to the restriction of vehicular access to the centre of Ilminster.

This would greatly reduce the footfall of the Town Centre as many customers come from the surrounding villages and use cars. The Post Office, since the closure of Barclays Bank, has taken on a more important role as 'banker'. We do not want to lose such important and useful shops as the chemists, greengrocer, butcher, hairdressers and hardware store which may happen if access is restricted.

3. What Changes would you suggest should be made to the Plan?

Leave access by car of the high street .
