Dear Sir/ Madam,

I am writing with regard to the Regulation 16 Public Consultation.

I was concerned to see that there are no sites allocated for housing in the current Ilminster Neighbourhood Plan. ILM12 was an important policy in the INP, without it, Ilminster residents have no input on decisions regarding future sites for development. I would also like to know why there was no discussion or consultation with the community before the Plan was amended in October 2021?

In my view, the NP Reg 16 should only be allowed to go to Referendum after it has been revised to include the sites which were preferred by the public in the Reg 14 Consultation.

I look forward to hearing from you,

Regards,

Nigel Clark
