2. Please outline your comments below (continue on an additional sheet if necessary)

The Trust has interest in this Neighbourhood Plan because the area contains the Warehouse Theatre, a community owned and run theatre which hosts its own and other local productions along with film screenings. Venues such as this are particularly important in supporting the social and cultural well-being of local people, providing opportunities for participation and engagement in the arts and for people to meet, volunteer and come together.

We therefore welcome this policy because it supports the retention and enhancement of the theatre, reflecting paragraph 93 of the NPPF.

3. What Changes would you suggest should be made to the Plan?
